Property & Casualty Insurance

You Manage your Business, We'll Manage your Risk

The willingness to take risks is an integral part of any successful business; Alera Group's Property & Casualty insurance services specialize in strategies to effectively manage those risks. Our services go beyond a simple insurance policy; we structure your commercial insurance program to include an ongoing review of your needs and vulnerabilities, creating the best coverage to meet your business goals and objectives. We ask the right questions, gaining a deeper understanding of your current and future needs. Our knowledge, experience and independent relationships with top carries enable us to structure comprehensive, cost-effective coverage programs for even the most complex businesses.

National Scope. Local Service.

We strive to provide a high level of teamwork and trust that will position you and your organization for long term success. Pairing national resources with strong local relationships, Alera Group is equipped to help guide you and your organization toward effective risk management.

Together, We Create Successful Outcomes

Alera Group's national peer group is focused on building new tools, analysis, strategic insights and innovative solutions. With these resources, we are able to provide powerful risk management solutions that meet our clients' unique needs.

Your Team is YOUR Team...

When it comes to risk management, there's no such thing as a hands-off approach; managing your total cost of risk is an ongoing process. We make sure the team you met on day one and earns your trust is the same team that works with you on day one thousand. Your Alera Group team will work with you on a day to day basis to monitor the marketplace for changing conditions that could impact your business and adjust accordingly. This personalized touch makes sure your strategy is best suited for you, not some one-size-fits-all solution.

One-Page Corporate Insurance Review

Our unique one-page snapshot will help you and your team easily identify your in-force insurance coverage, gaps and areas that can be improved. This process is key to reducing costs and improving coverage.
